Europa Oil & Gas (Holdings) plc ('Europa' or 'the Company')

Notification of Interest in Shares

Europa Oil & Gas (Holdings) plc, the AIM listed oil and gas exploration and development company with a combination of producing and exploration assets in Europe, has received notification pursuant to the Financial Conduct Authority's Disclosure and Transparency Rules that, following the completion of the Open Offer and the resultant increase in the Company's total number of ordinary shares to 204,883,024 as announced on 20 January 2014, the beneficial interests of the Board members listed below are as follows:

Director	Open Offer Shares Applied for	Open Offer Shares acquired	Resultant shareholding	% of Enlarged Share Capital
William Adamson	166,666	110,224*	685,224	0.33%
Phil Greenhalgh	333,333	137,640*	387,640	0.19%
William Ahlefeldt-Laurvig	-	-	25,502,442	12.45%

* As a consequence of the Open Offer being over-subscribed, applications made by the Directors via the Excess Application Facility were scaled back by approximately 34.4 per cent.

Hugh Mackay, CEO and Roderick Corrie, non-executive director, both applied for shares in the Open Offer and a separate announcement will be made once the final allocation of shares have been confirmed by their respective brokers.

Notes

Europa Oil & Gas (Holdings) plc has a diversified portfolio of multi-stage hydrocarbon assets that includes production, exploration and development interests, in countries that are politically stable, have transparent licensing processes, and offer attractive terms. The Company produced 182 boepd in the UK during the 2012/2013 financial year, generating sufficient revenues to cover corporate overheads. Its highly prospective exploration projects include the Wressle prospect in the UK where a well is due to be drilled later in the near term; 100% owned gas exploration prospect (416 bcf) and appraisal project (CPR 277 bcf) in onshore France; and a joint venture with leading independent Kosmos to explore two licences in offshore Ireland in which Europa has identified two prospects with estimated gross mean un-risked indicative resources of 482 million barrels oil and 1.6 billion barrels oil respectively.
